

## Weekly Newsletter for September 10<sup>th</sup> - September 17<sup>th</sup>, 2016

### KCA CONNECTION:

Dear NRCC family ... They say “it takes a village to raise a child” and I would have to agree. Summer camp, prep week and our first week back to school were great, thanks to the care and support of our NRCC family and the hard work of our teaching staff. The prayers, hands-on support and encouragement of the NRCC family have really been a blessing for our staff and students. I hesitate to list names, as I will be sure to miss someone. For those of you who attended our Welcome Back BBQ, it was wonderful to see you chatting with our school families and inviting them to join us for Sunday service! For those who came on our Prayer Walk, thank you for blessing our students, school families and staff with

your presence and prayers! Roger, thank you for moving furniture, arranging for carpet cleaning, roto-tilling the playground wood chips, etc. Dean, thank you for generously giving your time and support, in the form of encouragement and your presence at our breakfast, BBQ and prayer walk. The teachers and I really appreciate your encouragement and willingness to speak at chapels throughout the year. Stan Bachalder and Mr. Barker, thank you for spending a couple of days replacing lights and working though a “honey-do” list of things that needed to be fixed. Bob, thank you for investing hours of your personal time taking care of school finances. Leah, Kathryn and Clara, thank you for taking care of our students during summer camp. One family enjoyed VBS camp so much, they enrolled their younger child in KELC this year. Andrea, thank you for helping our staff consolidate our vision for the school.

There are many more acts of love and service that I could mention...I’ll save them for another week. In the meantime, there are 140 KELC and KCA students hearing God’s word and growing in the knowledge of Him each day. What a wonderful ministry opportunity for our church family!

## JOINING TOGETHER IN PRAISE AND PRAYER AS A BODY:

### THANKING GOD FOR:

- > Successful surgery for Michael Cook’s father - Gary and starting recovery
- > A great start to the school year for students and teachers alike in our community and at Kleinburg Christian Academy

### PLEASE PRAY FOR:

- > Wayne Roux (Pierre’s son) and Philip as they travel to Beaufort West this weekend to fix a broken water pump on the farm. Many short term teams and much work will need to be done on the farm before folks currently living on the dump can move to the farm.
- > Della Drury as she has moved to a Retirement Residence in Stratford to

be near caregivers and family. Please pray for her as she settles in and adjusts to her new place.

- > Our elders as the continue seeking God’s peace and clarity and lead our body here at Nashville Road
- > The Exchange Staff. The Exchange is a very significant connection into the needs of the community - pray for insight, wisdom and courage for them as they seek and pioneer ways to provide for those in need.
- > The burden that has been placed on the hearts of several people for the youth of Bolton.

## SALT & LIGHT OPPORTUNITIES!

The religious landscape of our communities continues to evolve and is very different than even a few years ago. There are lots of “unknowns” as to how followers of Jesus can engage with neighbours and friends who come from different religious perspectives.

With this in mind FEB Central Ministries is presenting an Evangelism Training Conference to help us understand more specifically about Islam and Muslims.

Dr. Paul Moussa, an expert in the field, will help us learn and grow as we think of having conversations with Muslim friends about Jesus.
