

NASHVILLE ROAD COMMUNITY CHURCH

WEEKLY ENEWS FOR APRIL 10, 2016

Beginnings. They're exciting, inspirational, usually full of enthusiasm, they carry a hint of uncertainty but abound with anticipation! Such is the awakening of what we call "church". A group of people so overwhelmed by the reality, the joy and the truth of Jesus' resurrection that it reshapes their lives! Jesus Himself authenticates and commissions them to continue the telling of the greatest story in history - the story of God's reconciliation of all things! This rag tag group of people will be a living testimony, living examples, living proof to each other and the world of what God has done and is doing! Jesus gives to them a purpose, a power and a plan and we are part of that covenant community as Jesus says to us - "You will be my witnesses!" This Sunday we begin a significant series in the life of NRCC and **Awaken** to the Resurrection. [Acts 1:1-11](#)

*“And if Christ has not been raised, your faith is futile; you are still in your sins. Then those also who have fallen asleep in Christ are lost. If only for this life we have hope in Christ, we are of all people most to be pitied.
But Christ has indeed been raised from the dead...”*

Inner healing Training opportunity

Restoring The Foundations (RTF) ministries is offering training seminars to help you learn inner healing tools that will help you and those you care for in life or ministry. These simple tools are based on Biblical principles that bring greater freedom, peace and joy in life. Topics covered will include generational sins, ungodly beliefs, forgiveness, repentance and deliverance.

The first Training opportunity is being held April 8, 15, 20 and 22 from 7-10pm at Catch The Fire Church on Attwell Drive. The cost is \$100 plus a manual fee of \$45. For those who already took this course and want to attend as a refresher, there is no fee.

NRCC is hoping to offer the second Training in June if there is enough interest. George and Laurie Hull will be leading us in applying the inner healing ministry tools as we walk through the healing process with each other in small groups of 3. The first training is a prerequisite for this course and a commitment to attend all classes is important. The cost for this has been reduced to \$175 for NRCC people. The time commitment will be a Thursday night, all day Friday and all day Saturday. Dates are pending.

I cannot say enough about the positive impact these tools have had on my own life and ministry. I wish I had known these tools 25 years ago. I have seen people freed from anger, fear, negativity, control, and generational sins that can be traced back for decades. I am happy to share these stories and I encourage you to prayerfully consider taking this course as a means of fighting for yourself, your family and your church community.

Thanks, Martha Lawson
