

NASHVILLE ROAD COMMUNITY **CHURCH**

WEEKLY ENEWS FOR APRIL 3, 2016

Pierre Roux * Beaufort West

It is always a highlight when Pierre comes to NRCC for his annual visit. His passion to see Jesus make a difference in the lives of people forgotten by the world is infectious. Challenges are great ... ministering to people living on the dump, feeding children so they can take their HIV-AIDS medications, ministering to cancer survivors, combating child prostitution and human trafficking. Opposition is fierce ... Pierre's personal health struggles, constant vehicle breakdowns, local pastors in conflict, theft and violence. Yet, God is greater and hope is there.

*“And if Christ has not been raised, your faith is futile; you are still in your sins. Then those also who have fallen asleep in Christ are lost. If only for this life we have hope in Christ, we are of all people most to be pitied.
But Christ has indeed been raised from the dead...”*

PARENT WORKSHOP: Tuesday, April 5 @ 6:30-7:30 PM

KCA Fundraising is hosting what will be a very informative and valuable workshop for parents facilitated by Steve Chapelle: “Parenting the Social Media Generation.”

Two years ago, Steve hosted a similar evening workshop at KCA. Several of our current Parents in Action (PIA) team attended the previous workshop and highly endorse the parent presentation. Parents were at first taken aback by how much open access to information and communication they were unintentionally allowing their children via social media/technology. Parents left the workshop with easy to install/manage strategies and instructions for “improving privacy and minimizing risk to children and family.”

There is no charge for this parent workshop. Please feel free to invite neighbours, friends and relatives who are interested in learning about how to safe-guard their child as they use social media.

A Call to Pray

One Hour.

Twice each month.

One early..... 9:30 am

One later7:00pm

Praise offered.

Sins confessed.

Burdens shared.

Hearts joined.

Fears released.

Joy renewed.

God speaks.

Jesus intercedes.

Spirit present.

Eyes opened.

One hour.

Twice each month.

We must begin to believe that God, in the mystery of prayer, has entrusted us with a force that can move the Heavenly world, and can bring its power down to earth.

Inner healing Training opportunity

Restoring The Foundations (RTF) ministries is offering training seminars to help you learn inner healing tools that will help you and those you care for in life or ministry. These simple tools are based on Biblical principles that bring greater freedom, peace and joy in life. Topics covered will include generational sins, ungodly beliefs, forgiveness, repentance and deliverance.

The first Training opportunity is being held April 8, 15, 20 and 22 from 7-10pm at Catch The Fire Church on Attwell Drive. The cost is \$100 plus a manual fee of \$45. For those who already took this course and want to attend as a refresher, there is no fee.

NRCC is hoping to offer the second Training in June if there is enough interest. George and Laurie Hull will be leading us in applying the inner healing ministry tools as we walk through the healing process with each other in small groups of 3. The first training is a prerequisite for this course and a commitment to attend all classes is important. The cost for this has been reduced to \$175 for NRCC people. The time commitment will be a Thursday night, all day Friday and all day Saturday. Dates are pending.

I cannot say enough about the positive impact these tools have had on my own life and ministry. I wish I had known these tools 25 years ago. I have seen people freed from anger, fear, negativity, control, and generational sins that can be traced back for decades. I am happy to share these stories and I encourage you to prayerfully consider taking this course as a means of fighting for yourself, your family and your church community.

Thanks, Martha Lawson
