Can you think of a movie you've seen with a really bad ending? I mean, such an unsatisfactory ending that you were disappointed enough to ask for your money back? Movie endings are carefully crafted and studios will screen a movie before a test audience to help decide on whether the filmed ending actually works. Studios know if the ending isn't satisfying then the movie won't get the positive word of mouth it needs to be successful. We've come to the end of Matthew's story and Jesus, the revolutionary, untameable, King of the universe who inspired the masses that the Messiah, the Saviour of the world was in their midst and that the world would change - has been crucified near a garbage dump between 2 criminals. If the end credits rolled then - that's a really bad ending! So where is Jesus now? Matthew concludes his story and our journey on the Revolutionary Road with 20 short verses that the whole world needs to hear - the story hasn't ended - He's Risen! Take a look at Matthew 28:1-20 and we'll look forward to seeing you Sunday!

‘Truly I tell you,
whatever you did
for one of the
least of
these brothers
and
sisters of mine,
you did for me.’

– Matt 25: 40

Egan’s Memorial Service...

Egan’s funeral home will be hosting their annual memorial service this Sunday December 6th, at 2 pm This memorial is a way for family and friends to remember their loved ones during a difficult time of the year. We have been asked to provide some baking for this event. Please bring in **nut free** cookies or squares for our guests. We typically host this event for 600 people. Also keep these people in mind in your prayers, as grief knows no length of time. Pray for comfort and for peace.

URGENT CALL TO PRAY

We have received word that the government of South Africa is moving to regulate faith. This will mean the establishment of a state church, the restriction of freedom for faith diversity, and the censorship of sermons forbidding the mention of Jesus. Various denominational and interfaith councils are meeting this week to decide on an appropriate response. Please pray for unity, wisdom, and empowerment for them as they meet and present their response to the South African government. Also pray for victory in the spiritual battle that rages.
