Tests. How do you feel about them? Most people aren't excited about them. I drove both of our oldest kids to their driving tests and I'm sure I was more nervous than them! I'm also not sure that if I was the one being tested - that I would have passed! Tests are about proof or authenticity. You authenticate your understanding or ability by some kind of action and you are graded accordingly. Passing or failing are one way of designating those who get it from those who don't. In Matthew 25:31-46 Jesus talks to his followers about what makes an authentic disciple and what exposes a fraud and it's not their knowledge, or the ability to state what they believe or how often they attend a church gathering but the concern they showed to others in need. How they demonstrated love. Nothing more and nothing less.

‘Truly I tell you,
Whatever you did
for one of the
least of
These brothers
and
Sisters of mine,
You did for me.’

– Matt 25: 40

TOWN HALL MEETING

As mentioned at the Annual Meeting of the church last spring, the elders have been engaged for some time in prayer, study and discussion regarding the role of women in leadership. The first Town Hall meeting was held on Sunday, June 14, 2015 to discuss the process for addressing the issue, and to share resources so the body at NRCC could prepare to engage with the subject. The goal continues to be, uniting on a God honouring position by the end of 2015. More time may be required.

The next Town Hall Meeting is planned for **November 15, 2015 at 7:00pm** in the chapel. A white paper summarizing the subject and the position of the elders, will be available to the membership on November 1. A sign-up sheet will be available at the Welcome Centre beginning this week, for those who wish to receive a copy. We look forward to hearing God's voice and growing together, we discuss this important subject

Canadian Blood Services

Thank you to all who registered for the Canadian Blood Services luncheon on Sunday. In consultation with other area churches and Canadian Blood Services we are postponing the luncheon and rescheduling it for the New Year so that we can maximize the impact of this opportunity and the leaders from Canadian Blood Services who are coming to speak at the luncheon. Rescheduling into the New Year will allow other interested churches in our community to participate who weren't able to this Sunday. Please stay tuned for the rescheduled dates.

Plan to Protect...

Children's workers, there will be a mandatory meeting after the service on Sunday November 8th. We will be meeting for about an hour, to refresh ourselves on our policies and procedures in working with our children. Lunch will be provided.
